

Please be advised that the Aging in Place presentation co-sponsored by the Albany Guardian Society & Niskayuna Neighbors Network, Inc. will not be held at the Glen Eddy in Niskayuna as planned. Due to the uncertainty of the COVID-19 outbreak, it has become necessary to make this change.

Plans are being made to have this presentation as either a webinar or a conference call. Please check the Albany Guardian Society website ([www.albanyguardiansociety.org](http://www.albanyguardiansociety.org)) or call AGS at 518.434.2140 for updated information.
